

Programme ideas: Physical section

When completing each section of your DofE, you should develop a programme which is specific and relevant to you. Many of the DofE programme activities can be adapted to meet the needs of young people with disabilities and some, referred to as adapted sports, are unique to disabled people.

This sheet gives you a list of programme ideas that you could do or you could use it as a starting point to create a physical programme of your own.

You can find more information at **DofE.org/physical**

and there is a range of exciting opportunities to help you complete this section at **DofE.org/finder**.

It's your choice...

Doing physical activity is fun and improves your health and physical fitness. There's an activity to suit everyone so choose something you are really interested in.

Help with planning

You can use the programme planner on the website to work with your Leader to plan and agree your activity before you start.

Individual sports Airsoft Archery Athletics (any field or track event)	Water sports Canoeing Diving Dragon Boat Racing Free-diving	Scottish/Welsh/Irish dancing Street dancing/breakdancing/hiphop	Extreme sports BMX Caving & potholing Climbing Free running	Camogie Cricket Curling Dodge disc Dodgeball
