

Today has been a day of elation for Ellesmere Port Catholic High School staff and students alike. We are delighted to see so many of our students reaching and surpassing their potential, and we congratulate the efforts and subsequent achievements of them all.

We would like to thank our Year 11 pupils for their hard work; parents and guardians for their continued support; and staff for their dedication to our students' achievements.

We are proud to see the culmination of efforts throughout each student's secondary school journey. Some outstanding individual successes to note are Eleanor McKeivitt who achieved 9 grade 9-7 results; Joseph Ainsworth who achieved 10 grade 9-6 results; and Danielle Van Der Merwe, Isabella Blackhall and Libby Gilmour who all achieved 9 grade 9-6 results.

A pleased parent has expressed their *"sincere thanks and appreciation for the support, guidance and hard work of all the staff in helping [our daughter] to fully realise her academic potential thus far.*

*We would like to acknowledge that the efforts of all have been instrumental in not only her academic achievements but also her own personal development."*

We would like to give special mention to our Mathematics department, with 64% grade 9-4 attainment. This is a substantial improvement consistent with our outstanding Mathematics A Level results last week. We are incredibly proud of our students and department for this achievement.

It has also been a great year for Art (100% 9-4), Biology (89.5% 9-4), Chemistry (92.1% 9-4), Physics (86.8% 9-4), English Language (68.5% 9-4), English Literature (65% 9-4) and Modern Foreign Languages (85% 9-4) including Italian (100% Grade 9).

Also of note, we are proud to achieve a 100% pass rate for our BTEC subjects (Business Studies, Creative Digital Media Production, Music, Health & Social Care, Sport and Travel & Tourism).

On behalf of all Staff and Governors at Ellesmere Port Catholic High School, we wish our Year 11 students every success in their future studies and careers. We are and will continue to be relentless in ensuring that students at Ellesmere Port Catholic High School get the BEST possible education.
