Making Maths Count

hegarty**maths**

EPCHS Maths Department knows that last week was a challenging week for everyone and we are all getting use to the situation of teaching and learning from home.

*We have seen some fantastic work and effort from many of our students and we will be celebrating those who are accessing and using Hegarty Maths by continuing with our **Leader boards**.*

You're doing better than you think you are. I'm proud of you, keep going, you've got this!

These will come out every Monday and show the top students from the previous week only.

So it is up to you to put the effort in to change the leader board.
