Rationale:

The Sixth Form Attendance procedure is designed to enable students to achieve their maximum potential and to treat them as young adults by adopting practices reflective of those in the workplace. It works in conjunction with the whole school attendance policy and other policies where appropriate. Every attempt will be made to address attendance issues informally and at an early stage to ensure students remain in the Sixth Form and succeed in their chosen courses. Formal disciplinary procedures regarding attendance will only be used when informal strategies have failed.

At EPCHS6 we believe in entering into a partnership with every single student. We believe in some basic principles. Everyone on the Sixth Form has the responsibility to help create a happy, learning environment. We want everyone to feel as though they are treated as an individual and a valuable person. We do not apologise for having high expectations and we expect all students to respond positively to the warm partnership existing between students and staff. On the rare occasion that we have concerns about attendance, students may be subject to our disciplinary procedure as detailed below.

Our values: What really matters to us -

- Strong Catholic Ethos
- Ensuring every child is known
- High expectations of everyone
- Excellent leadership at all levels
- Excellent teaching
- Excellent behaviour and personal standards
- At the heart of the community

Aims:

- To enable each student to fulfil his or her potential;
- To support students as they assume responsibility for their own learning and behaviour;
- To ensure acceptable standards of behaviour and percentage attendance;
- To maintain a safe and productive environment in which to work;
- To foster respect for self, others and property;
- To ensure that students are fully aware of Sixth Form procedures relating to student behaviour and attendance;
- To work in partnership with parents/guardians wherever possible;
- To ensure that the good name of the school is upheld.

Attendance concerns:

- Attendance falling below the school target of 95%.
- Attendance becoming erratic.
- Patterns of absence emerging.

- Pupil obtaining an increasing number of unauthorised absences.

Informal disciplinary procedures

The efforts of staff at EPOCHS are directed towards helping students and every attempt will be made to resolve issues regarding attendance informally, and at an early stage, to ensure students succeed.

As part of the informal disciplinary procedure students will receive:

- **Clear guidance** on the percentage attendance expected of them at the beginning and throughout their course.
- **A timely and clear indication** if their attendance falls below the required percentage, in order that they are aware of what is expected of them and the steps needed to remedy the situation.
- **Discussion or 'quiet chat'** by form tutor or a member of the Sixth Form Team to indicate that their attendance needs attention and advise the student as to the improvement required.
- At this stage there is the option by both form tutor/member of the sixth Form Team to raise their concerns in a phone conversations home.
