Our specification engages and encourages students to become confident performers and designers with the skills they need for a bright and successful future.

We've built in as much opportunity as possible for students to do what they like best – participate in performance. All students devise drama. All students explore texts practically and work on two text-based performances. Students can be sure to gather many invaluable skills, both theatrical and transferable, to expand their horizons.

<b>Term</b>	<b>Unit of Work</b>	<b>Intent</b>
