### *Headteacher Message*

Dear Parents and Guardians,

I hope our students and their families managed to enjoy their screen-free afternoon on Wednesday. We continue to focus on the wellbeing of our staff and students and will continue after half-term with 'Feel-good Thursday'.

On behalf of the school governors and myself, thank you for all your support in these challenging times and we hope you have a restful half term.

*Mrs Vile*

**Fear not,**  
for I am with you;  
be not dismayed,  
for I am your God;  
I will *strengthen* you,  
I will *help* you,  
I will *uphold* you with  
my righteous right hand.

- **Update – Response to the Diocese Model of Academies for Catholic Schools in Cheshire**

*The Holy Family of Nazareth Catholic Academy Trust in Cheshire, in response to a request from the Diocese, is seeking to become an Academy Sponsor.*

*Once the Holy Family of Nazareth Catholic Academy Trust is accepted as a sponsor it is proposed, following a process of due diligence, that Ellesmere Port Catholic High School will join the Trust in due course.*

*We believe joining this trust with a focused vision, strong and strategic partnerships, and clear goals will secure the trust as a place that can elevate our Catholic communities through mobilising everyone in the best interests of our families, children, young people and staff.*

*It is hoped that the conversion process will be completed at the start of the next academic year (1st October 2021).*

*Further communication and consultation will be carried out in due course.*

- **6th Form Taster day for Year 11**

On Friday March 5th there will be a virtual 6th form taster day. During that day Year 11 students will 'become' the 6th form and be able to experience 5 A-Level lessons of their choice. This is to enable them to have a greater understanding of what is taught before they come to make their final choices this summer. Students should think carefully about their choices for each period as there might be subjects that they already know they definitely want to take so could use this opportunity to try out those they have not studied before or just to confirm their decisions. In addition, in the 6th form section of the school's website are all the info sheets and subject videos that students can refer to if needed.

- **Drama News**

The Drama and Performing Arts department are running a competition for ALL year 7s to get involved in. The competition relates to the final task in the work set this half term. If students take a look at the script Powerpoint - part 3 they will see the instructions for the Model Set Competition. A separate assignment has been set up in each class to upload their entries should they wish to take part. The closing date for this is Friday 26th February. It's all about being creative and imaginative.

*Mrs Kennedy-McGill*

- **Feel-good Thursdays!**

Next half term we will be having a Pause-Catch Up morning for students followed by a screen free afternoon on Thursday 25<sup>th</sup> February and Thursday 4<sup>th</sup> March to support staff and student wellbeing. In the morning there will be a CPD training session 10.30am - 11.30am for staff.

- **Public Health Reminder: Restrictions over half term**

We wish to remind our staff, parents and students that they should not mix with people outside of their household (or support bubble). This includes not mixing in the household of pupils they are in a bubble with at school.

We are still in a National Lockdown <https://www.gov.uk/guidance/national-lockdown-stay-at-home> and as a reminder:

You must not leave, or be outside of your home except where necessary. You may leave the home to:

- Shop for basic necessities, for you or a vulnerable person
- Go to work, or provide voluntary or charitable services, if you cannot reasonably do so from home

- Exercise with your household (or support bubble) or one other person (in which case you should stay 2m apart). Exercise should be limited to once per day, and you should not travel outside your local area.
- Meet your support bubble or childcare bubble where necessary, but only if you are legally permitted to form one
- Seek medical assistance or avoid injury, illness or risk of harm (including domestic abuse)
- Attend education or childcare - for those eligible

If you do leave home for a permitted reason, you should always stay in your local area. As lockdown continues across the country, the Council has pulled together a list of support available to families over the half term break, including information on community food support and financial help through the Winter Grant scheme.

- [Read the full press release](#)

A list of useful resources and information for the half term can be found on the Council's website – [www.cheshirewestandchester.gov.uk/halftermsupport](http://www.cheshirewestandchester.gov.uk/halftermsupport)

- **Free School Meals – Vouchers**

From Monday 1<sup>st</sup> February we will be issuing weekly vouchers, worth £15 per week per eligible student. The vouchers can be used at a number of supermarkets including Asda, Morrisons, Tesco, Sainsbury's, Aldi and Iceland.

Please note, the current guidance is that schools do not need to provide vouchers during the February half-term. There is wider government support in place to support families and children outside of term-time through the [Covid Winter Grant Scheme](#).

Please see step by step instructions on how to access the vouchers attached to this bulletin.

Read for **free** with the Oak Academy. This week's author is **Konnie Huq**

<https://www.thenational.academy/>

Redwall is coming to Netflix! Local author Brian Jacques' fantasy story of valiant mice and wretched rats is being made into a film by Netflix. If you haven't already read this amazing book, then why not do so now before the adaptation hits our screens! It's a fabulous book to read aloud with your children. Copies are available in the school library or at the library in town! Why not begin your adventure and immerse yourselves in heroism and sacrifice, comedy and evil! You will not be disappointed!

*Happy Reading to all our parents and students at EPCHS! Have a peaceful, safe and relaxing half term holiday!*

- **Safer Schools and Young People Partnership - Newsletter 4**

Welcome All,

I hope you are all keeping well. Here is the 4<sup>th</sup> Edition of our Newsletter as promised. Safer Schools and Young People Partnership have put together a newsletter containing some information about gaming online safely for you to send out to parents/carers.

Online gaming is hugely popular with children and young people. Annual research conducted by OFCOM shows that gaming is still one of the top activities enjoyed by 5-16 year olds online, with many of them gaming via mobile devices and going online using their games console.

From sport related games, to mission based games they cater for a wide range of interests. Most games now have an online element to them; allowing users to take part in leader

boards, join group games, or chat to others. Internet connectivity in a game adds a new opportunity for gamers as it allows players to find and play against, or with, other players. These may be their friends or family members or even other users in the game from around the world (in a multiplayer game).

Online safety advice is directly applicable in the gaming environment as risks can be present in the game's content and chat features. Young people can also pose a risk to themselves through the choices they make whilst playing an online game.

### **How often are young people gaming?**

OFCOM reported on young people aged 5-15s use of online gaming within the recent Media Use and Attitudes report. The findings showed:

- The estimated weekly hours spent gaming will increase with age, ranging from just over 6 hours for 3-4s to nearly 14 hours for 12-15s
- Children aged 12-15 spend on average 1.5 hours more gaming each week in 2018 than they did in 2017
- More boys play online games than girls in all age brackets, with the difference by gender increasing with age, e.g. girls aged 12-15 spend around 9 hours per week (9 hours 18 minutes) whilst boys of the same age spend nearly 17 hours (16 hours 42 minutes).
- Gaming can have a strong social element; close to two in five online gamers aged 8-11s (38%) and three in five aged 12-15s (58%) say they use online chat features within the game to talk to others.
- Children are more than twice as likely to chat through the game to people they already know outside the game (34% 8-11s, 53% 12-15s) than they are to chat to people they know only through playing the game (10% 8-11s, 25% 12-15s).
- Boys aged 12-15 who play online games are also twice as likely as girls to say they chat to people they only know through a game (30% vs. 16%).
