Headteacher Message

Dear Parents, Guardians and Carers,

I hope you are all keeping well.

We received further information yesterday from Cheshire West & Chester about additional precautionary measures which we will be implementing from Monday 28th September. Please see the letter attached to this bulletin email. If you have any queries or comments about health and safety procedures, our risk assessments or our recovery plans, I am happy to address these via an online meeting on **Tuesdays** from next week, 10 to 11am. Please contact Mrs Lyth on emma.lyth@epchs.co.uk if you would to schedule a meeting during this time.

Our virtual open evening went live yesterday and there are opportunities for parents of prospective Year 7 students to book online appointments to find out more about our school.

- **Home Learning**

The main platform for home learning to be set on is Show my Homework **(or Satchel One as it is now known)**. Over the past few months we have used Microsoft Teams as well as Show my Homework **(Satchel One)**. We are going to continue to use Show my Homework **(Satchel One)** due to the fact it has an app which parents can use whereas Microsoft Teams does not at this stage. We will review this at a later date.

All students have been issued with a new Show my Homework **(Satchel One)** pin number if they require it. Students can use it via the website or the app. For students logging in for the first time they need to enter their pin number and then create a username and password. Parental pins are available by contacting Mr C Jones at c.jones@epchs.co.uk

You will be able to access the home learning schedule via the website to see when home learning will be set for each year group.

- **Bike to School Week**

Next week is national Bike to School Week (28 September to 2 October), an event organised by Sustrans and supported by the Bikeability Trust, to celebrate cycling to school and the positive impact an active lifestyle can have on pupils' health and wellbeing.

The [Sustrans website](#) has a free guide to walking, cycling and scooting to school for families to download.

The Council's Road Safety Team continue to offer free Bikeability courses at both primary and secondary schools for year 5,6,7 & 8 across west Cheshire. Contact: roadsafety@cheshirewestandchester.gov.uk for more information.
