

ELLESMERE PORT CATHOLIC HIGH SCHOOL

'I have come so that they may have life and have it to the full' John 10.10

14th July 2021

Dear Students, Parents and Guardians,

Year 11 and 13 Results Day

We are fast approaching the Year 11 and 13 results days and also the time when our students will be taking their next steps. Although our students may not have sat formal examinations this summer, the results they achieve should be celebrated as they are a combination of all the hard work, time and effort they have put into their studies during their time at Ellesmere Port Catholic High School.

As you are aware every school in the country has recently gone through the whole process of submitting teacher assessed grades to the examination boards for every subject studied by Year 11 and Year 13 students. This has been a very complex process carried out by your teachers using evidence we have collected during your courses.

Student Support

Please be aware that although the school has submitted the teacher assessed grades, these then had to go through an external moderation process by the exam boards and so the final grade decision will be made by the Awarding Bodies under guidance from Ofqual.

We understand there may be mixed emotions on results days and would like to assure our students that we are here to support them. There will be staff in school on these days if you would like to discuss any aspect of the results and/or your child's next steps.

Collection of Results

Year 11 and 13 results days will need to run a little differently this year due to Covid-19 guidelines and our need to keep everyone safe. This year, we would like to have a live, in-school results day to celebrate fully the achievement of our students. However, we would ask that anyone wanting to come into school that day bring with them the proof of a negative lateral flow test. To facilitate this each year 11 and 13 student will be given a time slot to come to school, they will arrive in reception, show proof of their negative test result and then go into the hall to collect their results. They will then leave via the drama studio exit where a member of staff will collect destination information on their next steps. Year 11 hoping to come back to our successful 6th form can complete their final application form with support from school staff in the canteen. For both year 11 and year 13 moving on to alternative next steps destinations there will be additional staff in school to support them.

If, for any reason, your child is unable to come into school on results day please can you contact their Head of Year so alternative arrangements can be made. No results can be distributed to a family member or friend on behalf of the student without their written permission.

Results will be sent out via secure email and/or via post for any not collected on the day or where alternative arrangements have been made. The email will go directly to the child's school email account and not to those of the parent/guardian.

For Year 11 enquiries please contact Mr Parrin on m.parrin@epchs.co.uk and for the 6th form, Mrs Henderson on l.henderson@epchs.co.uk

Please be aware that if the current COVID-19 guidance changes and we have to alter the results day arrangements we will let you know via email and Teams as soon as possible prior to the days.

Thank you for your ongoing support and we will continue to support all our students through their next steps towards a rewarding future.

Have a lovely summer and a restful break.
