

EPCHS Student 'PD' Bulletin #14

"I Have Come So That They May Have Life And Have It To The Full" John 10:10

Our first full week and you have been brilliant! It is not easy coming back to school, but you have done it, and you have done it with understanding and displayed a real maturity. You have shown your true character and resilience, accepting our new normal and taking it all in your stride. Keep it up, because great things happen when you care...

✕ A Prayer For Our Students

Lord, thank you for the **unique gifts** of every child as they transition into a new school year. Fill each student with **fresh enthusiasm** and a heart that is excited to learn and grow. Cover them with your **enduring love**, give them **confidence and grace**, and equip them with the ability to **persevere** through trials. Bless their teachers with **wisdom, understanding, and a heart to serve**, as they embark on the journey together! **Amen!**

Do you follow the school social media platforms? If not, follow today and keep up to date with everything school related and more...

“Great things happen
when you care”

Psalm 21: He asked for life and you gave it to him

Personal Development – Monday Lesson 1...

This Monday, September 14th is the first lesson of our Personal Development program. Designed following your feedback to be specific and developmental. The PD Leads are really excited to see you grow as learners and develop as citizens. Take the time to value these sessions, get involved and make them count!

Please ensure you are fully aware of the classroom you need to attend on Monday, for Lesson 1...

Mrs Jones' assemblies have had an ARK theme to them this week...those little **Acts of Random Kindness** can really help make a difference to someone else in the school community. Check out @BelievePHQ on twitter for some top tips on how students can support each other when returning back to school...

HOW STUDENTS CAN SUPPORT EACH OTHER WHEN RETURNING BACK TO SCHOOL

 @BELIEVEPHQ

01
Regularly check in with each other

02
Connect with old and new friends

03
Look out for younger students and be a role model for them

04
Look out for friends and classmates. If you notice someone struggling ask if you can help them in any way

05
Support each other to complete school and homework

06
Be understanding, supportive and caring towards students who might feel nervous

07
Work with each other as a team to learn some new skills that can boost mental fitness

08
Encourage students who are struggling to seek out help from their teachers

Acts of Random Kindness - ARK

We need you...

The Student Council need you! This year we will be looking for influential students to be part of the Student Council. We have some exciting plans to put YOU, the students, at the front of driving new initiatives...sound interesting then speak to Mr Barry.

Year 8 MARSTEK...

Last summer Year 8 worked with the charity 4WardFutures on a Life in Mars Project. Now we are back in school this program is about to begin again, with a new chapter of development MARSTEK!

Run by Mr Hickman, STEM Lead for EPCHS based in C2, students will be given the opportunity to develop, build, experiment and engineer...who knows maybe some rockets may be taking off from our school field...

If you are interested in joining this exciting club, please see Mr Hickman. With various activities related to **Science Technology Engineering and Maths**, the club is open to all Year 8 students and will take place every Thursday in C2 from 3pm till 4pm. This is one club that will at times go with a bang...so don't miss out register your interest by seeing Mr Hickman at break or lunch today.

Thought for the weekend...

"YOUR **FUTURE** IS CREATED BY WHAT
YOU DO **{ TODAY }**
NOT ~~TOMORROW~~"

#MAKEITCOUNT
