Year/Term	Unit	Intent
Overall		<p>The outcome of excellent Religious Education is to produce religiously literate and engaged young people who have the knowledge, understanding and skills – appropriate to their age and capacity – to reflect spiritually, and think ethically and theologically, and who are aware of the demands of religious commitment in everyday life. All schemes of learning focus on developing four key areas:</p> <ul style="list-style-type: none"> • Knowledge and understanding • Experience – how can we experience the love of God in our lives? • Response – how people live their lives in response to faith? • Evaluation – expressing our own views and those of others with justification. Developing appraisal skills.
