On 9th June 2020 the Education Secretary announced the wider re-opening of schools from September 2020. All years groups will return to school, we are encouraged to keep each year group separate whilst in school. Some measures have been put in place to ensure that this happens. Start/Finish times will be different and also break and lunches will be at separate times.

At Ellesmere Port Catholic High School, we monitor regular attendance and punctuality closely.

Department of Education's National target for attendance is 95% and it is therefore important that students' attendance does not fall below this unless there are valid reasons.

Regular attendees usually leave school with better skills and qualifications.

Irregular attendance can, unfortunately, undermine the whole process of education, leading to severe disadvantages for the student.

Parents have a legal obligation to ensure both regular and punctual attendance at school.

School is legally bound to keep attendance registers, marked at the beginning of each morning by their teacher for their lesson Period 1 and by teachers in Period 4 in the afternoon. Any pupils not physically present will be marked absent.
