Headteacher Message

Dear Parents and Guardians,

Thank you for your ongoing support.

We look forward to our Carol Service on Tuesday which will be a nice way to round off the term - **please note we will be finishing for Christmas at 1pm on Friday 17th December.**

Please encourage your sons and daughters to continue with the twice weekly lateral flow testing to help keep each other safe in school.

Have a lovely weekend and take care.

Mrs Vile

A Prayer for Refugees
God, creator of all,
For people who are displaced;
may they find a safe refuge.
For people who have lost control of their lives;
may they know a sure foundation.
For people who live in fear;
may they be given a strong fortress.
For people who are disillusioned;
may they have hope in a future.
Loving Father, in times of crisis, sorrow and
uncertainty;
we ask that you draw near. Amen.

This prayer was written by All We Can. All We Can work closely with refugees in different countries across the world. You can find the full resource, with biblical reflections and even recipes at www.allwecan.org.uk

Virtual NHS Healthcare Work Experience Programme: November 2021 - April 2022

This is a 6 month programme, one day per month, starting in November. During these work experience days, students will follow 2 patients from their initial presentation to recovery. They will observe healthcare professionals as they interact with the patients and each other. They will have an opportunity to ask questions and gain knowledge through teaching. This will help them to make an informed career decision as well as learn about how healthcare professionals work together as part of a multidisciplinary team. Each work experience day is completely different. They will be able to build on their knowledge of NHS careers as they see different patient cases and healthcare professionals work in a variety of settings, such as hospital and community.

They will also receive certificates as evidence of having participated in the work experience programme. Those that complete the entire 6-month programme will be awarded with Highly Commended References too. They can register through the website link below. Places are £10 a day to cover administrative costs and run the tech on the day. For more information, please use this link:
