

Prayer

As we mark Holocaust Memorial Day,
we remember before God
the thousands of victims who perished under the years of Nazi atrocities.
We pray for the survivors and their relatives.
We pray for the eradication of the evil and prejudice
inflicted upon men, women and children
because of their race, religion, abilities, or their sexual orientation.
We pray for a better world.
We pray for peace.

Amen.

Readings for Holocaust Memorial Day - 4

The suitcase

The suitcase was small.
It had a name on it
and an address.
It had belonged to someone.
Now it was piled up
in a mountain of others,
each with a different name.
Remember the dead
but do not forget the living.

Janet Lees, Chaplain, and the young people at Silcoates School

Remembering the Holocaust

When you go there
in person,
in the snow and biting wind,
and you see the buildings around you,
entering each one in turn
to be reminded of some further atrocity –
suitcases, glasses, hair, limbs –
even though you know about it,
even though you read a book,
or someone told you,
it's a struggle to take it in.

Our Vision...
Keeping children safe in education.

Headteacher Message

Dear Parents and Guardians,

We welcome Jane Beaver and Jim Doust to our school on Monday and Tuesday to celebrate all the wonderful things we do enabling, empowering our students in their spiritual and moral development whilst carrying out a Denominational Inspection.

I would sincerely like to thank Father Humphrey for celebrating mass to our students on Wednesday mornings and hope in the near future we will once again be able to invite parents and parishioners into the school.

Wishing you all a very relaxing and peaceful weekend.

Mrs Vile

Sunday of The Word of God

FACE COVERING UPDATES

From Thursday 20 January, face coverings are no longer recommended in classrooms and teaching spaces for staff, and pupils and students in year 7 and above. They were introduced in classrooms at the start of the spring term as a temporary measure.

Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be logged on TestRegister and [reported to NHS Test and Trace](#).

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Reminder on the temporary suspension of confirmatory PCR tests in education and childcare settings

We updated you on the temporary pause of confirmatory PCR tests. As a reminder, you are only asked to take a follow up PCR test after a positive LFD test if you:

- wish to claim the Test and Trace Support Payment
- have been advised to take a PCR test because they are in a clinically vulnerable group
- have been advised to do so as part of a research or surveillance programme
- have received a positive day 2 LFD after arriving into the UK

Ellesmere Port Catholic High School

If anyone has any of the main symptoms of COVID-19, they are strongly advised to take a PCR test, not an LFD test. If someone with symptoms has already taken an LFD test for any reason and the result is positive, they do not need to take a follow-up PCR test.

Sixth Form Information, Advice and Guidance

UCAS Discover Apprenticeships - free online event - 9th February - 10am until 6pm

As part of 'National Apprenticeships Week', UCAS are bringing students everything you need to know to determine if an apprenticeship might be a good option for you. It is a day of inspiration, information and where you will have live access to employers.

Do you follow to keep up to date with all that is happening at EPCHS?

Facebook - <https://www.facebook.com/EllesmerePortCatholicHighSchool/>

Twitter - @EPCH_School

Ellesmere Port Catholic High School

The event will cover what an apprenticeship is, whether it is an option for you and what apprenticeship opportunities and programmes are available with top apprenticeship employers.

You will be able to access live sessions including CV and application workshops, interview clinics and advice on how to land a dream apprenticeship.

There will be live chat with top name apprenticeship employers including SKY, PwC, Rolls Royce and more.

You will be able to hear from apprentices about what it is like to study and work at the same time.

If you can't make the 9th February, the content will be available on demand until 23rd February.

To book and for more information, please go to <https://www.ucas.com/events/discover-apprenticeships-404016>

Medic Mentor - Free E-Learning courses for aspiring medical, dental and veterinary students

The **largest free national work experience programme for aspiring medical, dental and veterinary students** has returned. This was developed last year in partnership with **Birmingham Universities Hospitals Trust (UHB)** and it is **FREE** for students.

Medic Mentor have developed a series of **E-learning courses that you can complete in your own time**. You have 1 month to complete each session, and once you have completed the programme, you will receive a certificate from Medic Mentor and UHB as evidence of your participation.

Medical Schools are accepting virtual work experience as an alternative to in-person work experience in light of the pandemic and reduced access to placements.

Participation in the virtual work experience will also provide you, your parents and guardians with several opportunities to speak to doctors, dentists and vets continuously throughout the academic year. You will be able to do this on Tuesday evenings and most weekends, for free. You can also call the Mentor Helpline number 01530 417 299 from 10am-5pm, Mon-Fri if you would like advice on careers or applying to medical, dental, veterinary school.

Medic Mentor is a non-profit social enterprise and all of their proceeds are reinvested in supporting students to make informed career decisions.

To register you need to complete the online application form as follows:

Medicine: <https://medicmentor.co.uk/university-hospitals-birmingham-trust-virtual-work-experience/>

Dentistry: <https://medicmentor.co.uk/dental-live-virtual-work-experience/>

Veterinary: <https://medicmentor.co.uk/veterinary-virtual-live-work-experience/>

For more information, here are some links to feedback videos from students and teachers:

Work experience with HSBC and M&S Bank – Chester - Summer 2022

If you are interested in a career in financial services or banking, HSBC and M&S Bank are running a **work experience programme** in **Chester** this summer. The work experience weeks will be **w/c 20th June, w/c 4th July or w/c 1st August**

The programme will give you a realistic taste of what life is like at a leading global bank. You can build on your knowledge of banking and financial services and explore potential future careers available at M&S Bank and HSBC. You will gain insight into the different roles and functions across the organisations, as well as improving personal and employability skills. Where a physical placement is available, you will spend the day with a team getting hands on experience of what it is like to work in a bank. You will get to know about the values of the organisations, their history and gain an insight into the actual jobs you would be doing if you want to work for them in the future.

For more information and to apply please go to

https://mycareer.hsbc.com/en_GB/external/PipelineDetail/M-S-Work-Experience-Programme-2022-Chester/20858?src=JB-12441

The closing date for applications is **20th February**.

Virtual NHS Healthcare Work Experience Programme

This is a 6 month programme, one day per month until April 2022. During these work experience days, students will follow 2 patients from their initial presentation to recovery. They will observe healthcare professionals as they interact with the patients and each other. They will have an opportunity to ask questions and gain knowledge through teaching. This will help them to make an informed career decision as well as learn about how healthcare professionals work together as part of a multidisciplinary team. Each work experience day is completely different. They will be able to build on their knowledge of NHS careers as they see different patient cases and healthcare professionals work in a variety of settings, such as hospital and community.

They will also receive certificates as evidence of having participated in the work experience programme. Those that complete the entire 6-month programme will be awarded with Highly Commended References too. They can register through the website link below. Places are £10 a day to cover administrative costs and run the tech on the day. For more information, please use this link:

<https://alliedhealthmentor.org/nhs-healthcare-careers-virtual-work-experience/>
