EPCHS is a good school, one which follows its mission statement "I have come so that they may have life and have it to the full" John 10:10

There is a deep sense of family in the school and there is a pride in the fact that each young person is known and accepted.

The school's staff form a strong team, committed to pupils' education and wellbeing.

Leaders' work to promote pupils' and personal development is strong.

The school is calm and orderly throughout the day. The conduct of sixth formers is exemplary. They provide excellent role models for younger pupils.
