PARENT BULLETIN

A poem of truth

*Where there is stillness, there is contentment.
Where there is contentment, there is rest.
Where there is rest, there is peace.
Where there is peace, there is joy.
Where there is joy, there is love.
Where there is love, there is compassion.
Where there is compassion, there is wisdom.
Where there is wisdom, there is God.
Where there is God, there I am.*

Our Vision...
At the heart of the community.

Our Vision...
Keeping children safe in education.

Headteacher Message

Dear Parents/Carers,

Thank you for your continuing support, especially in regard to parents whose children are taking exams.

I wish you all a very restful and relaxing weekend.

Mrs Vile

Carer's Week 6th-12th June 2022

Carers Week is an annual campaign run by Carers UK that is brought to life by thousands of individuals and organisations coming together to provide support for carers, run activities, highlight the vital role carers play in communities and draw attention to just how important caring is.

An exciting schedule of events is planned across west Cheshire during Carers Week from 6 to 12 June to recognise the significant contribution unpaid carers make.

Find out more: [Carer's Week 6th-12th June 2022](#)

Kind regards,

Emma

University of
Southampton

A group of y10 and y8 pupils will attend Able Linguist days offered by University of Southampton in June. They will spend the day experiencing the kind of lectures a Languages undergraduate has, to see what language learning at university is like. From finding out about the Paris suburbs, to 'What is Linguistics?' there will be something to capture everyone's imagination. They will be able to try something new; Swedish, Bulgarian, Japanese, Portuguese and Norwegian, among other languages, are on offer.

Mrs H Marcano,

For 2 days, from 7am 15th June to 10 pm 17th June, all Languages students will compete in the global Nutty Tilez online language competition against almost 10,000 other students across the globe, typing target-language words quickly and accurately, in an attempt to be crowned Nutty champion!

Nutty Tilez is a realtime, multiplayer game for learning French, Spanish, German, Italian, English and Latin vocabulary. Students can play against their classmates as well as other students around the world as they compete over 50 levels. The competition is fierce, with points, coins and leaderboards driving the inter-class, inter-school and international rivalry!

Your child will have been given a profile by their Languages teacher and can now access the resource.

Please encourage your child to do as much as they can, especially during these 2 days.

Languages Team.

Thursday 9th June 2022 saw us celebrating National Empathy Day – a day to celebrate our super power of empathy! Click on the link above and listen to some amazing authors exploring the theme of empathy. Discover why it is so important to surround the rising generation with empathy experiences, and equip them with the empathy skills they need to thrive and be a force for good, despite growing up in a divided world.

Celebrating International Women in Engineering Day 2022

The University of Chester is pleased to invite year 10 girls from local schools to an inspiring day of STEM workshops to mark [International Women in Engineering Day 2022](#).

Taking place on **Wednesday 22nd June 2022, 09:30 - 14:00**, the event is for girls in year 10 with a keen interest in science subjects including Maths, Physics, Chemistry, Biology and Computer Science. The day celebrates the amazing work that women engineers around the world are doing to support lives and livelihoods every day.

Attendees at the event will:

- Explore how vital core science subjects are in developing inventors and innovators of the future.
- Be challenged by engaging in workshops delivered by our academic teams taking well known subjects in new directions.
- Find out how science subjects can lead into a wide range of careers and experiences.
