Our Vision...
Keeping children safe in education.

Headteacher Message

Dear Parents/Carers,

Thank you to all parents/guardians and grandparents who came into school today for a wonderful Mass and assembly.

We look forward to seeing everyone in the summer for the GCSE results and now look forward to the two proms and to our presentation evening on Thursday 7th July at the Civic Hall.

Please note school will close at 2pm on the 7th July and 1pm on Friday 22th July.

I wish you all a very restful and relaxing weekend.

Mrs Vile

**We are delighted to announce that we are now
officially an Eco-School**

Eco-Schools (Please click on the logo to learn more)

**Congratulations on passing your Eco-Schools
Green Flag!**

Congratulations!!!

Fantastic work ALISON EDWARDS!

We are very pleased to tell you that you and your Eco-Committee at Ellesmere Port Catholic High School have been awarded an Eco-Schools Green Flag

As always **THANK YOU** very much for your hard work, we are so proud of all our schools and the collective achievements they have made to protect our planet for future generations. We look forward to working with Ellesmere Port Catholic High School again next academic year to help you expand on your eco-actions and successes of this year.

Have a great summer break,

The Eco-Schools Team

University of Southampton

A group of y10 and y8 pupils will attend Able Linguist days offered by University of Southampton in June. They will spend the day experiencing the kind of lectures a Languages undergraduate has, to see what language learning at university is like. From finding out about the Paris suburbs, to 'What is Linguistics?' there will be something to capture everyone's imagination. They will be able to try something new; Swedish, Bulgarian, Japanese, Portuguese and Norwegian, among other languages, are on offer.

Mrs H Marcano,

Extracurricular summer sport is up and running please find activities open to all below (3-4pm PE kit required):

TUESDAY: Rounders & Softball

WEDNESDAY: Netball

THURSDAY: Tennis & Football (Girls football)

Breakthrough technology is vital for strengthening the UK's Defence & Homeland Security. As an Electronics Engineer at Awerian, you will be at the forefront of this innovation race by helping to defend and protect the UK from the latest technological and cyber threats.

Your work will have a real-world impact. It's a fantastically challenging, varied and agile role. You'll see ideas become a reality as you create prototypes through Awerian's rapid approach to design and implementation.

Apply today >

BAE Systems is the UK Government's nominated Prime Contractor under the Government-to-Government arrangements that are in place to provide equipment, support and training to Saudi Arabia. We provide maintenance of Royal Saudi Air Force aircraft and train RSAF personnel safely in a training environment in how to use their aircraft, equipment and weapons.

The Job Holder is to have Military Operational and Training background as a WD in an Air Defence environment.

Apply today >

Applications are invited for appointment as Tenure-Track Associate Professor/Assistant Professor in the Department of Industrial and Manufacturing Systems Engineering (Ref.: 512119), to commence as soon as possible on a three-year fixed-term basis, with the possibility of renewal and consideration for tenure before the expiry of a second three-year fixed-term contract.
